AGENDA REPORT

City of Santa Clara, California

Agenda Item # **5B** Agency
Santa Clara

2001

Date: October 22, 2008

To: City Manager for Council Approval
Executive Director for Redevelopment Agency Approval

From: Director of Public Works / City Engineer

Subject: Amendment No. 1 to the Agreement with APC International, Inc. for Construction
Inspection/Management Services for San Tomas Aquino/Saratoga Creek Trail, Reach 3

EXECUTIVE SUMMARY:

On July 8, 2008, the City Manager approved the Agreement for Services with APC International, Inc. (APC) to provide inspection services for Reach 3 of the new bike/pedestrian trail along San Tomas Aquino Creek. The budget for this contract was established at a level that would provide for part time inspection of the remainder of the work. This was based on the experience gained during the first phase of this project during the summer of 2007. However, work under the Union Pacific Railroad and under three parallel bridges at Central Expressway has proven to be significantly more complex and challenging than the work on other previous elements. This has resulted in a need for significantly more inspection than first anticipated. This Amendment increases the "not to exceed" total of the contract amount of \$49,420 to \$92,420. A copy of the Amendment has been placed in the Council offices for review.

ADVANTAGES AND DISADVANTAGES OF ISSUE:

Approval of this Amendment will allow for continued expert inspection of this complex facility through project completion.

ECONOMIC/FISCAL IMPACT:

The proposed Amendment is for an additional amount not to exceed \$43,000. The amended Agreement will then have a not to exceed cost of \$92,420. Appropriations are available in the Redevelopment Agency San Tomas Aquino Creek Trail (939-4443-80XX0-9054). Since the funding source for this project is the Redevelopment Agency fund, there is no impact on the General Fund.

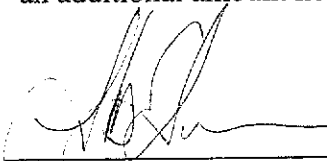

RECOMMENDATION:

That the Council:

- 1) Approve Amendment No. 1 to the Agreement with APC International, Inc for Construction Inspection/Management Services for the San Tomas Aquino/Saratoga Creek Trail, Reach 3.
- 2) Authorize the City Manager to execute and make minor non-substantive modifications, if necessary.

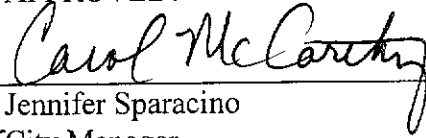

That the Agency:

- 1) Approve funding for Amendment No. 1 to the Agreement for Services with APC International, Inc. for Construction Inspection/Management Services for the San Tomas Aquino/Saratoga Creek Trail, Reach 3 for an additional amount not to exceed \$43,000.

for Rajeev Batra
Director of Public Works / City Engineer
